

THE BALTIC EXCHANGE

Senior Freight Market Assessor – Nov 2020

Competitive Salary + Benefits Package

The ongoing growth of the Baltic Exchange through the exciting development of its products and services, and the deployment of effective succession planning has created the opportunity for an experienced Manager to work in London to head up our team of Freight Market Assessors who are based in our London and Singapore offices.

Reporting to the Chief Executive and working closely with the Head of Baltic Exchange Asia, the Compliance department and other members of the senior leadership team, the successful applicant will oversee the production of the Baltic indices ensuring the adherence to high quality processes and procedures and compliance with the Benchmark Regulations. The role is also responsible for coordinating R&D into new freight indices using trade flow trends and competitive intelligence and managing projects to deliver new products from inception.

Being a confident communicator, ideally with significant experience in shipping and a solid understanding of all aspects of Freight trading (physical and paper), the successful candidate will manage the team on a day-to-day basis and provide senior level sign off for the daily published indices.

The role will suit a self-motivated, proactive individual, with strong experience of project management, managing diverse teams, and the proven ability to work and coordinate with remote teams. Good presentation and interpersonal skills will also enable to post holder to be an effective representative of the Baltic (and SGX) to exchanges, regulators, industry bodies and the rest of the shipping community.

Applications would therefore be welcome from candidates who are;

- Able to collaborate credibly with the market, senior management and stakeholders;
- Able to manage a variety of projects and multiple priorities, making decisions within tight time constraint;
- Able to demonstrate a proven track record in effective leadership and team management;
- Highly organized, with the highest standards of accuracy and precision;

Interested candidates, are invited to send an application to Adam Osborne at AOsborne@spinnaker-global.com.
